Though Govt have expressed their opinion that they are disinclined to allow these conditional sales with payment of the sale money spread over for a number of years in the present case it is to be noted that a finality will be reached in the present transaction in March 1910. The price is stated to be well up to the present value by Mr Pilkington. The offer includes also the value of the crop now in bearing. The Dy Commr has also taken the precaution to lay it as a condition that the case Govt declines sanction to the sale Budan Sab is to pay Rs 1600 as the price of the crop which he would have gathered. The highest bid at the auction was for Rs 7000 and this is Considered by both the Dy Commr and Mr Pilkington to be a very good price, in view of the present Condition of the estate. About a third of the Amount appears to have already been recovered and the purchaser has offered to pay the balance before the end of March next. Altogether the disposal of the property is on as Satisfactory terms as Could have been expected in the Circs and the Dy Commr's recommendation may, it seems, be Sanctioned. Please put up a draft Accordingly.

The debtor has filed two memorials - one to the Dewan & the other to His Highness praying that he may be permitted to retain the property on paying Rs 5600. This amount is Rs 1400 less than what the property fetched at the auction & will not be paid as promptly as the auction purchaser is prepared to pay the amount of his offer - Rs 7000. The debtor proposes paying the Sum of Rs. 5600 offered by him in instalments but does

not say in how many instalments. From para 3 of the Dy Commr's Memorial it would appear that the offer of Rs 7000. by Mr Bordan Sahib was one made at a public auction & not in connexion with a private negotiation for the disposal of the Estate - In such cases it is doubtful if under instruction no 2 issued in G.O. of 10-1-08 the debtor can, at this stage, persons to keep the property by paying its market price. In view of this & of the fact that the amount offered by him is less than what the auction purchaser is prepared to pay & ~~that~~ even the amount offered is not prepared to be paid promptly, it does not appear that the debtor's request can be complied with.

General and Revenue Departments.

Sir,

In continuation of my letter No. 134 of 6th October 1909 reporting on the sales held by me of certain properties of Mr.Shama Rao, Member of the late Chikmagalur Agricultural Bank, and with reference to Government Proceedings No. Fl.2403-5/B.8-09-14 dated 17th November 1909 containing the order of Government thereon, I have the honor to submit the following report in the matter of the disposal of Mr.Shama Rao's coffee Estate consisting of the marginally noted Sur. numbers.

Chikmagalur Taluk.				
1.Anur Sur. No.	139	Coffee.	43-10.	64-12-0.
2. "	533	Coffee.	27-26.	41- 8-0.
3.Vastara.S.No.	636	Dry.	4- 6	2- 0- 0
		Wet.	2-22	9- 0-0.
		Kharab.	0-7.	

2. As stated in the above letter, the highest bid received for the right, title and interest of the above Survey numbers at the sales, held on the 10th and 11th September 1909, was Rs. 2500/-. This bid having been too low was not accepted by me at the time. Finding that a public sale had failed to fetch a proper value for the Estate, I wanted to see if private negotiations would produce better results and accordingly instructed the Amildar to invite offers for the Estate.

On.

3 On the 1st October 1909, Mr.Shama Rao presented an application to me offering Rs. 3000/- for the Estate which amount he wanted permission to pay in a number of yearly instalments. While this application was under consideration, I received an application from one G.Abdul Razack of Hosahally Estate, near Vastara, offering for the property Rs. 4500/- payable in three years. This application came to my hands while I was at Mysore during Dasara. On my consulting Mr.H.Pilkington, Inspector of Coffee Estates, about it, he informed me that certain European Planters had also an idea of buying the Estate and we then kept ourselves in communication with them.

Meanwhile, the coffee Estate had to be advertixed for sale for revenue arrears, while the crops which were ripe and ready for picking had to be sold for realization of the Bank arrears. The sale of both the lands and the crops were fixed for the 30th November 1909 and intimation of the sale was given to all persons, European and Native, who were likely to bid for them. A large number of bidders was in consequence present on the sale date.

I found that as the whole Estate formed a single and compact block, none of the persons present was willing to offer any reasonable bids if each of the survey numbers were sold separately, and I therefore decided to take advantage of the presence of the large number of bidders to invite offers for Mr.Shama Rao's right, title and interest in the whole Estate. Mr.Abdul Razack, who had first offered Rs. 3500/- in cash or Rs. 4500/- to be paid in three years, raised his offer to Rs. 7,000/- to be paid in three or four annual instalments without interest and declined to go any further. It was ascertained that the European Planters who had come to bid for the Estate, Viz., Messrs. Durham and J.Aird were not willing to offer more than Rs. 5000/- for it. With great di-

fficulty an offer of Rs. 7000/-. to be paid within three months was obtained from one Mr.Mahomed Budan Sab, the conditions of his offer being.-

(1) that he was to pay within four days Rs. 1400/- the estimated value of the Present crop on the Estate;

(2). that he was to pay a further sum of Rs. 1100/- by the end of December failing which he was to forfeit a sum of Rs. 1000/- to Government.

and (3) that he was to pay the remaining sum of Rs. 4500/- by the end of March next, failing which the previous payments made by him were to be forfeited to Government- the person having no further claim over the Estate.

4. As both Mr.Pilkington and myself were of opinion that the above offer was the very best that could be had for the Estate and that it was impossible to get any better, I have accepted it in anticipation of Government sanction and have allowed Mr.Budan Sab to take possession of the Estate on the understanding that if the Government were to withhold their sanction to his offer for any reason, he was to pay Rs. 1400/- towards the value of the crop which he has been allowed to pick and to restore the Estate to Government.

5. It will be seen from the enclosed copy of Mr.Pilkington's letter dated 1st December that he valued the Estate at Only Rs. 6000/- about three years back. Since then, the Estate has much deteriorated having been considerably attacked by borers, and Mr.Pilkington, when he valued it for me at the time when I put it up for sale in September last, did not estimate it at more than Rs 8000/-. There is not one of the numerous persons - both European and Native- whom I have consulted about the Estate that did not inform me that the offer of Rs. 7000/- now received from Mr.Budan Sab is far more than the Estate is really

worth. I can assure Government that we cannot do better than accept Mr. Budan Sab's offer of Rs. 7000/- for the Estate, and I therefore beg to recommend that sanction may be accorded for the transfer of the Estate to him for the above amount on the following conditions:-

(1). Mr.Budan Sab having already paid Rs. 1400/-, he is to pay a further sum of Rs. 1100/- by the end of this month; failing which, he is to ~~for~~ forfeit to Government a sum of Rs. 1000/- which will be recoverable from him as a revenue demand;

(2). that he is to pay the balance of Rs. 4500/- by the end of March 1910; failing which, he is to forfiet all previous payments made by him and lose all claim over the Estate.

6. If the Estate is disposed of, there will remain only some houses belonging to Mr.Shama Rao left ~~undisposed of~~ unprocured apart, and I shall ere long submit a further report about the desirability or otherwise of proceeding against them for the balance of arrears of Rs. 32,000/- and odd which will be still due from him.

I have the honor to be,

Sir,

" With reference to the sale of Mr. A.Shama Rao's "Adigal" coffee Estate which took place yesterday.—

I have the honor to state that I consider the sum of Rupess Seven thousand offered by Mr.Gadabanhally Budan Sab to be a good offer, well up to the present value of this Estate and advise its acceptance.

On October 14th 1904, I prepared a statement for the Dewan of Mysore, copy of which was sent to your office, in which I valued this Estate at Rs. 6000/-. My opinion of its value has not materially altered, in fact the Estate has further deteriorated since then.

The additional Rs. 1000/- now obtained I attribute to the crop which is now ripe for picking, and the value of which to Government works out to about that sum on my estimate of maunds 180.

To

His Highness Sri Krishna Rajendra Wadeyar
Bahadur, G.C.S.I.,
Maharaja of Mysore, Mysore.

May it please Your Highness,

I beg to lay before you the following few lines with the full hope that they will receive your kind and benign consideration.

When the Agricultural Bank at Chikmagalur was started in 1897, I became a member of the said bank and my properties in and around Wastara consisting of dry and wet lands, and a coffee estate were valued at --- Rs.80,000/-, and on the mortgage of the said properties the Bank advanced me a loan of Rs.25,000/-.

2. Subsequent to the starting of the Bank, a --- series of bad years followed with bad drought and out of the 80 acres of good coffee, 45 acres were entirely -- destroyed by borers. The annual visit of Plague threw my wet and dry lands out of cultivation. Added to this, domestic misfortunes also followed. My two younger -- brothers and my eldest son died of Plague and left me all alone, helpless.

3. The price of coffe went down since the Bank was started and the annual realization of the remaining estate consequently was low.

For the reasons stated in paras 1, 2, and 3, I

I beg to state that finding myself unable to take advantage of the instalment system allowed by Government to liquidate the heavy loan due from me, I made a full representation of my case in August 1909, in writing, to the Deputy Commissioner, Kadur District, and requested him to have my properties revalued by the Government expert, and offer the properties to me for that value on instalment syatem which was to commence immediately, as contemplated in Government Proceedings No.Fl.3529-33/B.3-07-17 dated 16th January 1908.

The Deputy Commissioner held out hopes to me and told me that he would recommend my case to Government and I am not aware whether my application was submitted to Government. But in the month of September, he sold all my property in public auction; and when the sale was over, he was so good as to inform me that he would restore my estate to me in case I would take up the same for Rs.3,000/- by payment of instalments, as he full well knew that that was the only way of keeping myself and my large family from starvation since every inch of my paddy lands was sold. I readily consented to the proposal kindly made to me and submitted a written application to him in October last. After a time, I was surprised to hear that my estate was to be re-sold. The same was sold realizing a sum of Rs.7,000/-, i.e., crop Rs.1,400/-, and estate Rs.5,600/-. I also hear that the Deputy Commissioner has submitted the sale records for confirmation. I cannot easily understand why the Deputy Commissioner is so hard upon me when the Government is so very benevolent in stating that the property may be handed over to the member in case he consents to pay -- the amount.

I most respectfully beg to state that my family has settled in this part of the malnad for more than -- three generations and it will be very difficult for me, at this age, to find a new field for living for myself and my large family.

Therefore, I beg to claim your Highness's --- indulgence to kindly order the coffee estate to be handed over, (excluding the value of the crop, Rs.1,400/-) ~~to me for Rs.5,600/-~~ me for Rs.5400/-, now bid for in the auction, by payment of the same in instalments and thus give me an opportunity to maintain the name of my family and live in the place of my ancestors and also to discharge the debt due to Government.

I beg to add that if this concession is not -- shown to me, I shall be thrown upon the world homeless.

I beg to remain,
May it please Your Highness,
